

Every property owner is affected by the appraisal that is performed for tax purposes. It is critical that the person leading the development of those appraisals be well versed in appraisal methods and, more importantly, well founded in the Standards and ethics appraisers are obligated to follow. That is why I endorse Frank Gregoire for Pinellas County Property Appraiser.

He has a national reputation, and local experience. His dedication to fairness for all will serve the citizens well.

Danny Wiley, SRA, IFA
Chair, Appraisal Standards Board of the Appraisal Foundation, 2002-2004.
Current Member of the International Valuation Standards Board

I grant permission for use of the above statement in campaign related material.

A handwritten signature in black ink that reads "Danny Wiley". The signature is written in a cursive, flowing style.
